UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF NEW YORK

NO.: 1-12-CV-08484

MIDOIL USA, LLC

Petitioner,

**DECLARATION IN SUPPORT** 

-against-

ASTRA PROJECT FINANCE PTY LTD. Respondent,

I JAYDEEP BISWAS am the director of Astra Project Finance Pty Ltd (Australian Company Number 143 030 675), an Australian proprietary company limited by shares ('Astra') and the Petitioner in the above-entitled action. As such, I have personal knowledge of the facts stated herein. I make this affidavit in support of

Respondent's Cross-Motion to Stay Arbitration and Compel Judicial Review with Memorandum of Law; and the Affidavit of Jaydeep Biswas with Exhibits and all other

Respondent's Reply in Opposition to Petitioner's Motion to Compel Arbitration; and

papers herein.

1.

- 2. I make this affirmation in support of Respondent's Emergency Motion to Stay Arbitration and Compel Judicial Review, with Supporting Memorandum of Law.
- Astra Project Finance Pty Ltd ("Astra") upon information and belief was 3. fraudulently induced by Petitioner to enter the contract in question, the Corporate Financing Agreement (CFA) which included fraudulent inducement of the Arbitration provision 23.1 dated, 1/11/2012. For this reason alone this case cannot be sent to Arbitration without judicial review of the allegation of fraud in the inducement of the Arbitration clause, because, the Arbitration provision 23.1 of the CFA as well as the CFA itself is void ab initio and by Respondent being forced to Arbitration without judicial

review would result in the Respondent being irreparably harmed and irreparably prejudiced.

4. In this case, upon a full, diligent, complete and accurate investigation conducted by me Jaydeep Biswas and Astra's directors, of the Petitioners MidOil USA, LLC, Vincent Crandon (alk/a Vincent J. Ceccola) and Christine Crandon, it was discovered by me and Astra directors that the Petitioners, upon information and belief, fraudulently induced me Jaydeep Biswas and Astra Project to enter a Corporate Financing Agreement (CFA), as well as the inserted arbitration clause provision 23.1, dated, 1/11/2012. However, the Petitioner's fraud was not discovered by me until after the contract had been executed.

WHEREFORE the Respondents respectfully moves this Court for an Emergency Order: 1) in favor of the Respondent and against the Petitioner granting an emergency stay of arbitration; and (2) an Emergency Order in favor of the Respondent and against the Petitioner, compelling judicial review of the allegation of fraudulent inducement of the Arbitration clause provision 23.1 in the contract (CFA) by the United States District Court, Southern District of New York or by remand to the Superior Court of New Jersey, Bergen County, the Court of original jurisdiction; and/or (3) an Emergency Order dismissing with prejudice the Petitioner's Petition to Compel Arbitration in the United States District Court for the Southern District of New York; and (4) any other relief the Court deems just and proper.
